The Expressive Desk.

The Expressive is our entry-level desk for those creative people who love to get down and express their beautiful colorful self to the world. Tbh I don't think you will be working from this desk, but more like busting moves, chatting, collaborating and expressing your unique gift into the word!

Expressive Desktop.

The Expressive desktop is made from hardwearing laminate, so can stand any battering you may throw at it. It comes in 10 standard colorful colours, but don't let stop you from asking for more!

"Here's to the high fiving and busting moves at your desk"... what back pain!
